## What happens from here:

- Your information will be recorded and checked.
- Your area will be noted and if you haven't requested any particular area you will be nominated to an area.
- If you mark down for general volunteering this may not happen until the last, and may even change depending on demand. Thanks for being willing to be flexible and go with the flow.

## When to arrive:

Full time Adult Volunteers arrive for registration on the first day of ncyc11.

There will be Adult Volunteers who are, or who will be allocated to a specific area. Your Specific Area Coordinator will be in touch with you if they need you to start earlier than registration day.

On Registration Day Full Time Adult Volunteers will need to go to registration to check in and also report to the Adult Volunteer Centre to check in, say 'hello' and receive any information such as rosters.

Part Time Adult Volunteers will need to report to the Adult Volunteer Centre as soon as they arrive on site at The Southport School. At the Adult Volunteer Centre you will receive information about your shift and where you need to go.

## Definitions

**Full Time Adult Volunteer** is someone who has paid \$150.00 for Adult Volunteer registration fees, and completed a Registration Form. Adult Volunteers commit to working at least 4 hours per day.

**Part Time Adult Volunteer** is someone who will come onsite to ncyc11 for a 4 hour shift; will supply their own meals; and will not be able to participate in the full program of ncyc11. Part Time Adult Volunteers are free, we only ask for your time and energy. Part Time Adult Volunteers can sign up for as many shifts as they are able: e.g. 2 four hour shifts each day of ncyc11.
